Background

The ATSIDNQ project is a Queensland Government funded project that is currently managed by ADA Australia. ADA Australia is a state-wide, not-for-profit, independent, community-based advocacy and education service, supporting and improving the wellbeing of older people and people with disability. ADA Australia has 8 offices throughout Queensland, with its head office located in Geebung, Brisbane.

ADA Australia is jointly funded by the Australian and State Governments, providing independent advocacy services to recipients and potential recipients of services under the National Aged Care Advocacy Program (NACAP) in both residential and community setting services and Queensland Community Care Services. ADA Australia also receives funding through Legal Aid Queensland to provide support to adults in relation to administration and guardianship matters with assistance at QCAT hearings.

ADA Australia is an organisation that offers training, flexibility and support to employees. We see this as a rewarding opportunity for someone with strong interpersonal and communication skills with the ability to provide comprehensive project support.

The Position Description and Application Form are attached. Applicants are asked to submit their resume, application form, and a response to the key selection criteria (maximum of 2 pages).

Please email applications to info@adaaustralia.com.au, or address applications to:

Manager, Corporate Services

ADA Australia

121 Copperfield Street

Geebung Qld 4034
